#### 2. Locate and get information about optometrists and ophthalmologists.

Locate the most convenient network optometrist or ophthalmologist for you and your family. You can search

for a provider nearest your home or office, and find locations offering features such as wheelchair access, additional languages spoken, driving directions or weekend office hours.

While there, if you don't see your provider you can nominate them via the online form and UnitedHealthcare will make every attempt to contact them.
